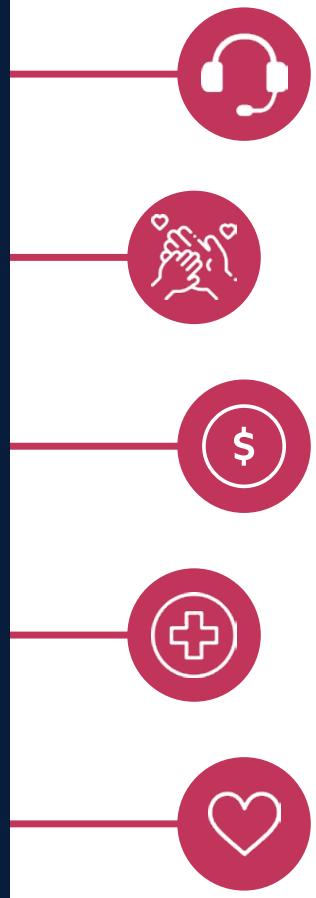
TOP 5 ONLINE SCAMS TO WATCH FOR:



Tech Support Scams: Fake pop-ups or calls claiming your computer has a virus.

Grandparent Scams: Someone pretending to be a grandchild in trouble, asking for money.

Lottery or Prize Scams: You've *'won'* something—but have to pay to claim it.

Medicare or IRS Scams: Fake calls asking for personal information or payment.

Romance Scams: Online relationships that lead to requests for money.

If you're unsure, talk to someone you trust.
