# DON'T BE EMBARRASSED— ASK YOUR TECH-SAVVY GRANDCHILD!

**Technology changes fast, but your grandkids can help you stay safe, smart, and connected online. Here are 10 great questions to ask next time you chat.**

1. Can you help me recognize scam emails and texts?
2. What should I do if a pop-up says I have a virus?
3. How do I know if a website is safe to shop on?
4. What's a good way to create and remember strong passwords?
5. How can I protect my Facebook or email account from hackers?
6. Should I click on ads that say I've won something?
7. Can you help me set up my phone or tablet to be more secure?
8. What are the signs of a fake tech support call?
9. How do I stream shows or videos safely without getting viruses?
10. What should I do if I think someone is trying to scam me online?

**These questions aren't just smart—they're a great way to learn from the ones you love.**
